Application for Travel Subsidy

Eligibility for travel subsidy from the travel pool is based on the following:

- Application submitted to [eddy@eddycrouch.com](mailto:eddy@eddycrouch.com) by September 3.
- Traveling by car more than 500 miles, round trip, when carpooling with at least one other person unless there is no other AAPC member living within 50 miles of the driver (Note: The subsidy is paid to the driver)
- Traveling by train, bus or plane when cost (including ground transportation and airport parking) is greater than \$150.
- Availability of limited travel pool funds prioritizes those with the greatest expense.

Note: Subsidies for those traveling from Washington, Oregon or Idaho are limited to \$50 and subsidies for those traveling from Alaska, British Columbia and Alberta are limited to \$250. Travel subsidy checks will be sent following the conference.
